FLIGHT INSTRUCTOR WORKSHOP

Saturday, December 7th, 2002

Global Transpark Education and Training Center
Highway 58 (3 miles north of Kinston, NC)

ALL FLIGHT INSTRUCTORS AND FLIGHT INSTRUCTOR APPLICANTS ARE INVITED

Don't miss this free and informative CFI workshop. Registration starts at **8 AM**. We will be finished by **3 PM**. Our speakers include; John McLain, Designated Pilot Examiner/CFI/Aviation Safety Counselor. Go beyond the PTS with John as he talks about maneuvers in the Airplane Flying Handbook that should be taught by CFI's that are not in the PTS. Back by popular demand is Bruce Brandon, CFI, Lawyer and a Captain for US Airways with an eye opening and informative briefing on legal issues for flight instructors. Also F-15E Strike Eagle pilots from the 4th Fighter Wing Safety Office, Seymour Johnson AFB, will brief us on the USAF Mid Air Collision Avoidance Program. (MACA)

Plenty of Free Handouts
Publications, Advisory
Circulars, and Literature for all
Attendees

**A FREE LUNCH WILL BE
PROVIDED BY SEGRAVE
AVIATION**

The NC Global Transpark Education and Training Center is located 3 miles north of Kinston on Highway 58. Upon receiving your registration we will send you detailed directions to the Global Transpark Training Center and information about this brand new "state of the art" facility.

This is an excellent seminar for all flight instructors and flight instructor applicants. If you plan to attend the Workshop please fill out the registration form on the back of this flyer and return ASAP.

Its all Free plus
DOOR PRIZES!

Larry Lambert, Safety Program Manager, GSO FSDO will address the significant changes to the Private, Commercial and Flight Instructor PTS's that were just recently published in August of 2002.
